

## IMPRESSIONS ON SPEECH DYNAMICS RESEARCH IN BRAZIL

This Round Table, chaired by Eleonora Albano, features the foreign DINAFON 2014 invited speakers who were on faculty in São Paulo School of Advanced Studies in Speech Dynamics in 2010, namely: Alice Turk, Ioana Chitoran, John Kingston, and Khalil Iskarous. Each will have 20 minutes to make an analysis of the state of the art of speech dynamics research in Brazil in 2014 as compared with that encountered in 2010.
